

REMARKS and CONCLUSION

As requested by the Examiner, the Applicant has attached formal drawings to replace the informal drawings that were originally filed. The Applicants assert that the drawings do not add any new matter.

The Applicant acknowledges with appreciation the indications that Claims 1, 3-6, 9-13, 15-19, 21-24, and 29-32 are patentable. The Applicant has cancelled rejected claim 7.

The Applicant respectfully submits that all of the claims and drawings are in condition for allowance. If the Examiner believes that personal contact would be advantageous to the disposition of this case, the Applicant respectfully requests that the Examiner contacts the Attorney of the Applicant at the earliest convenience of the Examiner.

Respectfully submitted,
